Dear Patients & Friends,

Our practice continues to grow and thrive because of your good word about us to your friends, family, neighbors and co-workers. That is why we strive so hard to give you the very best in dental care, in a warm and relaxing, state-of-the-art facility.

THANK YOU

To thank you for sending us the people you care about, the next time you send us a new patient for dental services, we will give you a \$20 gift certificate to a great restaurant. Just a little gift of appreciation from us to you.

HOW OUR PROGRAM WORKS

Each new patient you send to us will receive \$50 off dental services. Just simply cut out the gift certificates to the right, give them to the people you care about, and have them call us to schedule an appointment. On the back of each one, please write your name so we know who to thank for the referral.

We thank you for your continued support and we look forward to caring for you and your family and friends for many years to come.
